

# Year One

## Beech and Oak

13th September 2013

### Maths Focus

This week we have been thinking about numbers. We counted, read, wrote and ordered numbers to 20 and beyond. Why not look out for numbers in and around your house and when you are out and about. Maybe you could ask an adult to set a 1 minute timer and give you numbers to write down. How many can you write in a minute?

### Wild Place Helpers

Thank you if you have signed up to help at the Wild Place already. We usually go every Thursday afternoon but can only go if we have the correct ratio of adults to children. Each class will need 2 or 3 adults to come with us each week. We leave school by 1:30 and are back before 3:00. You will have a small group of children to work with and we plan lovely activities for you. We will explain exactly what you

### Dear Parents,

We have had a lovely and very busy week this week. We found out that our topic is all about us and it is called "Becoming Giants". We brainstormed some ideas together and we were impressed by some of the questions the children came up with! We had a lovely time today introducing "Toast and Talk" to the children. This will be a time when the children reflect on their learning.

**Emily and Hannah :)**

### Cooking Money

We cook once or twice per topic in Year 1 and ask for a donation of £3 to cover the cost of ingredients. Please pop this in an envelope and send this in to Emily or Hannah. Thanks!
