

Year 6 Group Room

The boys and girls spent some more time in class this week choosing their Victorian names and brushing up on research skills. We did a practice SPAG paper and everyone made progress from the previous test. You could help your child practise word classes when they are reading to you by asking them to pick out:

Nouns (names of objects), Adjectives (describe nouns), Verbs ('doing' words), Adverbs (describe a verb, e.g. walk slowly), and pronouns (words that replace names, e.g. he, she, it, they).

Next week's spelling list is:

Believe, almost, unusual, particularly, amongst, serious, excellent, generally, thorough, colourful.

Don't forget to keeeeeeeep reading!

Kind regards,

Lynn and Tina
