

Just to let you know...

Hope you all had a lovely Easter break. The children have come back very refreshed.

On Monday we discussed ideas for a new LEAP and met as a year group to vote.

So...our new LEAP is... (drum roll)
CELEBRATIONS, PARTIES & FESTIVALS!

This week we have been learning all about birthdays, planning parties, months of the year etc...

Next week we are going to celebrate the Queen's 90th Birthday.

In Maths this week we have been looking at money.

Mostly 1p, 2p, 5p, 10p and 20p coins.

We've talked a lot about their size and shape, what colour they are and the patterns they have. We also noticed that they have a picture of the Queen on them!

On Wednesday we hunted for coins in the Wild Place and Reception garden.

Maybe let your child have a look at the coins in your wallet/purse and get them to help you buy things when you go shopping.

The Queen's 90th Birthday

On Thursday 21st April we will be celebrating the Queen's 90th Birthday as part of our new Celebrations LEAP. We plan to have a party in Reception and if your child would like to, they can come to school dressed as a King/Queen or party home clothes.

We would love to share with each other some cross cultural celebrations.

If you celebrate certain festivals at home, we would love to hear about them. Just pop the details in your child's JTLYK book.
