

Just to let you know...

The Year R team have some big plans for the Rainbow Room and are hoping to use the DIY day on Sunday 22nd May to bring about some of those plans...

We would love to make music, fine motor and sensory learning area using recycled materials.

This is a plea for some bits and bobs that you may consider junk but we would find very useful. If you have any of the above that you no longer what/need, we would love your donations!

padlocks
wheels containers
ribbons pipes
tubes crates flowerpots
sieves trellis pots windchimes
utensils
junk
bottles
buttons
cutlery
pans tins
blankCDs
mobiles beads doorchains
switches

There is a new Wild Place sign up sheet outside the classrooms. Please sign up if you can help on a Wednesday afternoon 1.30-3pm. The more helpers the better!

In class this week we have continued our work on 3D shape. What shapes can you spot when you're out and about? We've also been thinking about the start of Spring and the May bank holiday as part of our LEAP work.
