

# Just to let you know...

## SPELLINGS

Please look at and learn these spellings for Monday, as well as two of their chosen spellings, which will be in their reading journals

Chorus   echo   character   chef  
Chalet   brochure   science   scene

## Maths

We have been looking at decimals this week; including ordering, adding and rounding. The children enjoyed putting this into practice by designing and costing their own garden.

Have a go at the activity on  
[www.mymaths.co.uk](http://www.mymaths.co.uk)

Username: pewley. Password: squared.  
Select: number, decimals,  
adding decimals in columns intro.

Dear Parents,

The term is now moving forward rapidly and we are all getting excited as our trip to Bentley Copse comes ever closer.

Thank you to everyone who has signed up to help in some way. There are still quite a few consent and medical forms that have not been returned. We would be grateful if these could be sent in as soon as possible.

Thanks for your ongoing support.  
Have a great weekend

Jo, James, Bec and Heather

## English

This week, we have been practising writing in the first person narrative.

The children studied the evolution of Sam's view from the window, throughout his life and then wrote the

story of it from his point of view.

Remember it's bank holiday Monday next week, so pupils will return to school on Tuesday (3rd)!

## Topic

We have begun our germination investigations this week. We are eagerly waiting for our seeds to germinate so that we can see how accurate our predictions were, about which conditions they would need.
