

Just to let you know...

Topic

At the beginning of the week, the children investigated coastal erosion. Using a tray of sand and water, we observed how the waves erode the sand cliffs. It was great fun and the children were quick to point out that this also shows how beaches are formed.

5S using junior hack saws to make siege weapons!

Literacy

Using their understanding of on coastal erosion, the children have researched a range of coastline management strategies. They have proposed plans to Dorset County Council on the most suitable strategies at particular points along the coast. The children have thought about the best way to communicate their plans and argue that theirs is the best solution for Dorset.

Spellings

Plus 2 spellings of their own.

**Chef,
chalet,
machine,
brochure, league,
tongue,
antique,
unique, permeability,
durability**

Maths

This week, the children have been learning more about capacity and have applied their knowledge to a range of word problems.

Brenscombe Letters

We would be grateful if you could bring in letters you would like us to give your children at Brenscombe. We are taking these in prior to going and will hand them out when we are at the centre. Please give these to your class teacher ASAP.

Homework

Next week the children will be doing work on biographies. In order to prepare for this please could you help them write a fact file on a famous person, someone they are really interested and inspired by.
