

Just to let you know...

Bentley Copse: Help Needed!

A big thank you to everyone who has signed up so far to help out. We still require volunteers for the following:

Wednesday

- Activity helpers: 11:30-12:30, 13:00-14:15, 14:30-15:45
- Games on the field: 16:45-18:00

Thursday:

- Serving snacks and drinks: 14:15-14:45
- Games on the field: 16:45-18:00

Friday

- Striking camp: 8:00-10:00

Please see the sign up sheets in the Year 4 area or email James (jamesw@htpd.surrey.sch.uk).

Spellings

Please look at and learn these spellings for Tuesday 2nd May. We are now trying dictation with the children, which is where we read a simple sentence with their spelling word in, to help them understand the meaning.

sense, nonsense, press, express, operate, cooperate, port, export, change, exchange

PE

Please make sure that your child has a summer PE kit in school including trainers, their house t-shirt and shorts or a skirt. 4JW are swimming on a Wednesday.

Dear Parents,

We have had another lovely week in year 4. Thanks for all the glass jars, we will be using those next week.

Can we please just remind you that children should be spending 20 minutes on their reading task each week.

Have a lovely weekend!
James, Jo, Rachel, Maggie and Georgie

Lumio—Homework

You should all have received a letter about Lumio, along with your child's username and password. Please can the slip with their login information be stuck in to their reading records so that they don't get lost!

The homework this week is for your child to login to Lumio and to complete a few tasks—please check homework book for more information. If you do not have access to the internet at home then your child can complete this in school on Monday morning.

Bentley Copse

Thank you to all those who have returned their forms. We are just waiting for a few forms to be returned so please get these to Jo by next Friday (5th May) at the latest. You can pay for this trip on ParentPay.

English

This week in English we have been publishing our bluebell poems as well as designing and creating seed packets. We invented a plant and drew and labelled it, before writing silly instructions for how to enable our plant to grow. We then wrote these up and made our seed packets!

Art

In topic today we sketched bluebells and then began to paint these using water colours and pastels. The children produced some lovely art work which we will put up on display for you all to see soon!

Maths

This week we have been learning how translation works. The children are now very knowledgeable in understanding what translation is and recognise that it is not a reflection or a rotation. We have also revisited angles.
