Wild Place

Please sign up to help at the Wild Place this term—the sheet is up in the corridor. We need helpers for this coming Tuesday 25th April!

Junk Modelling

Please could you save your recycling this week and bring it in for Friday for our big making day. We would also like small drinks cartons with straws to make 'walkie talkies' anytime you have any. Thank you!

Dear Parents

Welcome back to our new Summer term! The children have certainly had a good rest and have bounced back into school. We have chosen our new topic - the Emergency Services. The children have begun to design their own role play area. If you have any resources, books or contacts within the Services, please let us know!

Thank you to everyone who sent in our Easter sheet with drawings, photos and information about what you did to celebrate this special holiday. They are now proudly on display in the classroom.

Have a restful weekend.
