

JUST TO LET YOU Know

Maths

We jumped back into action this week with a focus on multiplying numbers by 10, 100, 1000 and then using our multiples of 10 to find multiples of 9 and 11.

Literacy

We have now launched our WW2 Topic for the Summer Term. This week the children have been learning about informal letter features, culminating in writing their own letter with which to send away their flat evacuee.

Art/DT

We loved designing and making our own flat 'evacuees'. They all have name tags and gas mask boxes, and are very excited about being evacuated to the countryside – we look forward to their safe return and hearing all about what they have done!

London Road Trip – Thursday 26th

The London Road Trip is fast approaching! The children will need to be dropped off at Home Farm Gate, Stoke Park (on Nightingale Road) at 9:30am dressed in their evacuee outfits. Please make sure your child has a packed lunch, is wearing sensible footwear and has a raincoat/sun cream with them. We are doing a lot of walking during the day so please do not send children with suitcases or unnecessary items to carry! From 3pm your child will be available to be collected from school. We ask that you come to the school hall. The day will end with a billeting role play run by Clare Brunet. Clubs Plus children will be taken to Clubs Plus as normal.

PE kit and swimming kit

A reminder that all children need their PE kits every Thursday for outdoor games. 3T and 3A will need kits on Wednesday for PE, 3S are currently swimming, so please ensure they come with their swimming gear on Wednesdays.
