

JTLYK Reception
Friday 26th April 2019

Dear Parents

Welcome back! The children appear well rested and we have had a surprisingly productive week for such a short one!

We have introduced the topic of rockets and space. The children are really enjoying the role play space station and learning about planets and stars. We are making lovely rockets from all the junk modelling you have sent in, so thank you!

Please remember to sign up to help at the Wild Place on Thursday mornings, hopefully the weather will be kind to us in the coming weeks. Could you also remember to put PE kits back on the children's pegs.

In maths we have had fun learning about what is 1 more and 1 less than a given number. We have used our rocket in the Rainbow Room to 'lift off' to a given number, jumping on and jumping back.

Have a lovely weekend!

The Reception Team :))

Trip to the Look Out, Bracknell
Wednesday 12th June

A letter will come home shortly to let you know all about the Reception trip. The cost is £15 and we will need 3 parent helpers per class.

Phonics

We will be learning our final phonics sounds next week (ear, air, ure), so please take some time to revisit sounds we have already learned, in the back of the jtlyk book .
