

This Week

The children have been very busy with carol singing, Christmas parties and pantos but in between everything they have still found time to do some wonderful learning!

We wrote letters to Father Christmas on Monday and then had a go at writing speech bubbles for the three kings and baby Jesus. We had fun with Christmas tree maths filling in the answers to lots of addition and subtraction problems. We tried very hard to remember to write our numbers the right way round!

Thank you for all your support this term! We have a great Autumn term and are looking forward to the New Year with your lovely children.

We hope that you all have a wonderful Christmas with your families, wherever you are.

See you on Tuesday 6th of January with your story books.

With love from the whole Year One Team:
Emily, Sheena, Misha, Sam and Irma xx

Beech and Oak Class
