

## This Week

The children have been very busy with carol singing, Christmas parties and pantos but in between everything they have still found time to do some wonderful learning!

We have written our lovely Nativity booklets and made Christmas cards. Everyone has taken part in phonics and maths assessments. You should have received 2 reading books for the holidays. If you look in the JTLYK books we have stuck in a phonics sound mat for your child to practise with you.

Thank you for all your support this term! We have had a great Autumn term and are looking forward to the New Year with your lovely children.

We hope that you all have a wonderful Christmas with your families, wherever you are.

We are looking forward to seeing you on Wednesday 6th January with your child dressed up in a fairy tale costume.

With love from the whole Year One Team:  
Sarah, Sheena, Misha, Sam, Andy, Helen xx

Beech and Oak Class
