

Christmas Play

The children have been working so brilliantly putting the final touches to the Christmas Play 'Hey Ewe'. We really look forward to the performances next week & hope to see you there, if you can make it!

This year, as a school, we are supporting the work of 'Toilet Twinning' in building safe, clean toilets in places around the world where they are desperately needed. £60 will pay for one toilet, and we are hoping to build as many as possible! So far we almost have enough to build one toilet from Year 2's fund raising, so if you are able to contribute any amount will help us reach our 'Toilet Twinning Target'.

(Optional) Late Start—Friday 16th December

Next Friday, following the Christmas play, the children may arrive at school any time up to 10:30am.

Breakfast club will be available as usual.

Homework Books

There has been such a lot of brilliant work this term. Look back over all you've achieved so far, and feel proud of your hard work. Finish off anything you need to finish, and do any of your favourite activities again :)

Year 2 are enjoying making some 'Christmas Robin' Pom-Poms.

Maths for Home

This week we have been learning about shape. We have learned about shapes with straight and curved sides.

What shapes are some objects around your house?

Try this out:

<http://www.mathlearningcenter.org/web-apps/geoboard/>

Can you make a triangle, a square, a rectangle, and a pentagon.

How do you know you have made the right shape?

Can you check?
