

**REMINDER**  
**Christmas Play**

We hope that you have managed to book tickets to see the children's Christmas Production! They have been working so hard in rehearsals and are excited to show you the fruits of their labour!

We are so proud of them all!

.Thanks so much for your support!

If you are having any costume related issues, please let us know and we can always help!

**Maths for Home**

This week we have been learning to tell the time at o'clock, half past, quarter past, and quarter to on an analogue clock.

Practise telling the time on any clocks you have around at home.

What time do you....

get up?

eat breakfast?

have lunch?

have dinner?

brush you teeth?

go to sleep?

What happens at half past 11 on a Saturday at your house? Email or write to tell us :)

**Costumes!**

(Named) costumes need to be in school on Monday!

**Coats!**

Please make sure your child has a warm & waterproof coat for use at school. We like to get outside, even when it is cold and wintery, so they need to bring their coat every day.
