Just to Let you Know...

Next year we will be starting our Material Mayhem topic. We will be looking at forces, magnets and the properties of materials.

We will be visiting the Science Museum in London on Tuesday 24th January. Please let us know if you are available to help with the trip.

In the second half of the Spring Term the children will have the opportunity to create their own crazy inventions.

Spellings and Reading

There will be no spellings to learn over the Christmas holidays, but please encourage your children to write their own Christmas cards and practise their words so far. Keep up the fabulous reading at home please and do see us, or Geraldine, if you need any new reading ideas.

Topic Books

The children will be bringing home their amazing topic books to share with you over the holidays. They have worked incredibly hard on these so please find some time to look through these with them and have them explain the pieces of work. We are very proud of their achievements and have written a comment in each one.

Have a great Christmas and thank you for all of your kind gifts.

Best wishes,

Jo, Rachel, James, Maggie and Georgie

We look forward to seeing you on Wednesday 4th January 2017!

Reminders

All classes need their PE kits on a Monday

4JM will be swimming next term. Please return the forms asap to the office. The lessons will start on Wednesday 11th January 2017.

4R and 4JW need PE kits for Wednesday every week. This should include trainers, house T-shirt, joggers and shorts.
