

JTLYK Year 2
Walnut and Chestnut
1.12.17

This week...

We have been really pleased with the way the children have risen to the challenge of the play. If your child has a speaking role in the play please help your child to learn their lines.
Well done to everyone!

Mrs Armitage Writing

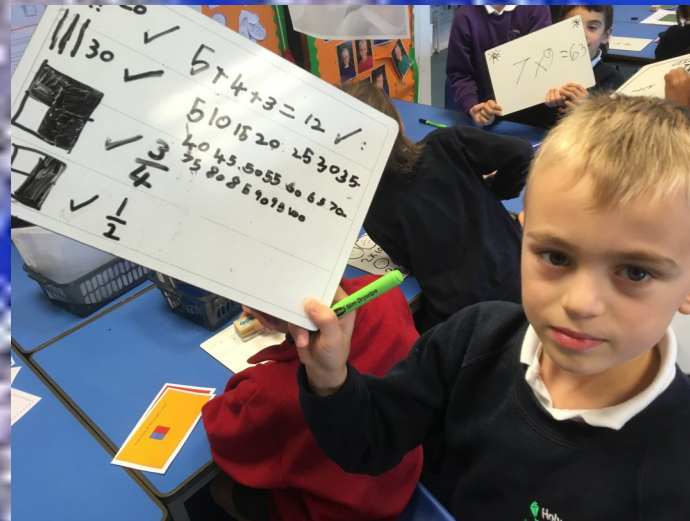

The children have impressed us with their writing and story telling. They have embraced the challenge of making up their own story and we have loved seeing their work.

You will probably have heard about the pom pom baubles! These are coming on very well!

REMINDER

Christmas Play

Thank you for all the lovely costumes that arrived today. If you haven't brought yours yet please bring it on Monday 4th. If you are having difficulties finding a costume please let us know as soon as possible.
Thank you.

Homework Books

We are amazed at all the brilliant work in the homework books every week.

Well done to everyone!

This will be the last one until January. Reading books will keep coming home until the last week of term. The last day of changing books will be Monday 18th.

Maths at Home

This week we have practised adding, subtracting and multiplying.

At home you could practise multiplying by playing this fun fish arrays game: [http://www.learnalberta.ca/content/me3us/flash/lessonLauncher.html?](http://www.learnalberta.ca/content/me3us/flash/lessonLauncher.html?lesson=lessons/08/m3_08_00_x.swf)

(or google 'fish array game' !)

...and you could practise subtraction here: <http://www.topmarks.co.uk/maths-games/subtraction-grids>

Email us and let us know what you think of this week's activities :)
