

JTLYK Reception

Friday 1st December 2017

Trip into Guildford on Monday

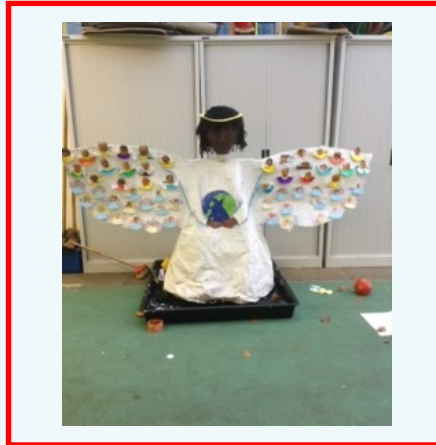

We would love more helpers for our walk on Monday so we can 'look for Christmas' - please let us know over the weekend if you think that you can come.

Maths

In maths this week we have been learning to estimate. The children are making a good guess at how many objects they can see and then counting to check. At home try making a pile of toys or pasta shapes and asking your child to estimate and then check how many there are!

Christmas Play Costumes

We hope you have been able to organise your child's costume for the play. You can bring them in next week and by Thursday please.

Dear Parents

Despite the cold frosty weather we have been outside a lot this week! Firstly we enjoyed our walk to the Wild Place on Wednesday looking for birds. We spotted lots of blue tits, magpies and crows. Back in school we have been talking about nests and finding out about owls.

As you can see from the photo we finally finished our lovely angel which joined 100 other school angels up at the Cathedral. There is a special Angel Day on Sunday (details on page 2) which you are warmly invited to. If you would like to see the angels another time you can visit them any time that the Cathedral is open!

We have now finished learning about all the single phonic sounds! Please continue to practice these at home so that we can move on after Christmas with our digraphs (2 letters, 1 sound).

Don't forget your contribution to the Christmas Fair on Monday!

Have a lovely weekend!

Reception Team :))

Come
dressed as
an angel!

Angel treats
on offer at
