Dear Parents,
We've had a fantastically busy and fun packed week, being dominated by the wonderful Christmas production. Congratulations to all of Year 5. They sang and performed so beautifully!

Our Christmas Church service is next Wednesday and we're in need of parents to help walk us to and from the church. We'll be leaving after lunch (just after 1pm) and will be walking back before the end of school. If you're able to help, please do email your class teacher.

Thank you!
Catherine, Nick and Laura x

Next term, our topic is Space. We've got two great trips in the first half term—please email your child's teacher, if you are able to help on either of these. We will also spend some time learning about the Ancient Egyptians at the end of term.

RE

We spent a wonderful day looking at what light represents and how Jesus was called the 'Light of the World'. We talked about how light can represent Joy, Love and Hope. The children created pictures of famous sayings that include light, such as 'You light up my life', and a beautiful chalk picture of lightbulbs.
