

Year One Beech and Oak 7th December 2018

We have had a wonderful week in Year One. On Monday and Tuesday we enjoyed our trip to the Guildford Museum. Thank you to the parents who came along to help. We hope you enjoyed it as much as we did. We also had three performances of our Christmas play. We are extremely proud of all the children who did a fantastic job during their performances. We then rounded off the week with our Christmas dinner which was lovely!

If you chose a photo from the selection we took of the Christmas play and are yet to receive it then please contact Claire Cruddas as there were some email addresses she could not quite make out.

It is our Christmas fayre on Saturday. Please come along to enjoy the different stalls, raffle, as well as the festive food and drink available. It will start at 3pm and finish at 5pm.

Thank you to all of you who donated to the Besom hampers. They looked beautifully packaged and full of luxurious items. They have been sent to the church and will brighten the Christmases of many families.

We hope you have a restful weekend,
Claire and Georgie

The Guildford Museum

During our visit to the museum we learnt all about the materials used to make toys in the Victorian period and who Queen Victoria was. We became pupils, or scholars as was the term used in the Victorian Period. We sat at old desks and were taught how to make paper hats. It was a lot of fun to notice the differences between a classroom from Victorian times and a classroom now. We noticed that there were no plastic toys or resources as of course plastic was yet to be invented.

Writing:

After our trip to the Guildford Museum we enjoyed writing a recount of our visit. We wrote about what we enjoyed and what we would like to do if we go back. We also wrote a label for a toy for the museum.
