

Just to let you know...

Words of the Week

irreversible	should
reversible	would
heat	could
cool	isn't
method	wasn't
hypothesis	don't
results	didn't
conclusion	can't
prediction	then
fair	they

Have a well-deserved
Half Term break!

Best wishes
Tracey, Nick and Alison

*We had a fabulous trip to the Science Museum in
London this week!*

**Thank you to all the parents who were able to
come along.**

**It is well worth a visit in the Half Term if you need
a little outing.**

*In English this week we have been focussing on com-
prehension. Please check your child is reading for
meaning- understanding what they have read*

**For our Science Investigations after Half Term,
please bring in empty, clear, 2L drinks bottles
and any unwanted metal**

MATHS

In class maths we have continued our work with 2D shapes — exploring their properties and looking at symmetry. Try this website..

[http://www.primaryresources.co.uk/online/
reflection.swf](http://www.primaryresources.co.uk/online/reflection.swf)

In group maths we have been working on word problems involving fractions, whilst drawing on our knowledge of the 4 operations $+/~/\times$

BENTLEY COPSE TRIP MEETING

Thursday 22nd March 7pm in
Year 4 area

**Please remember pencil cases
and warm PE kits into school
daily**
