

Topic

The Decomposition Experiments have all taken place now and the children will be observing the results. They have spent time reflecting on their methods and whether they would change anything if they were to repeat the experiments.

Just to let
you know

4th Feb – 8th Feb

Reminder

Please don't forget that spellings come home each week for a test the following Monday.

Friday 15th Feb - Fluffy Friday

If you are able to volunteer your time on this busy day there are many activities that would be grateful for your support.

Please speak to your child's class teacher.

English

Over the next few weeks, the children will be planning and writing their own 'Time machine' stories that will take them back to Ancient Greece where they will volunteer to help a Greek hero overcome a monster! They will be able to include all their knowledge of 'Ancient Greek way of Life.'

This is an extended task where we will be looking at all the ingredients of a super story ie. good characters, plot, description, suspense.

Spelling -

water watery nut nutty grease greasy smoke smoky

Don't forget extension words.

Maths

- The children have carried on working on division, continuing to group/share using multi-link and other objects, setting them out as division calculations.
- We have found division statements from multiplication facts. We have checked our division using multiplication.
- 3D shape - recognising familiar 3D shape and their nets.
- **MATHLETICS**- Please encourage your child to complete the set task on division looking at patterns/arrays including remainders.
