

Just to let you know...

Reception

Hazel & Willow

Phonics

We will be continuing our letter families. This week we will be learning about the 'long ladder letters' These are l,t,j, y,j,u They all 'start at the bottom, high in the sky and come down again.' Everyone is working really hard on their 'school curly writing.'

We hope you have a lovely half term!

New LEAP

We gathered all the children's ideas separately and then we met together as a year group to share ideas and vote on our favourite LEAP idea.

This coming half term much of our learning will be space themed. If you have any books, role play props and costumes we would love to borrow them please.

Please could you save up any large and small boxes, foil, milk bottle tops, plus anything you and your child could imagine using to make something space related.

We are looking forward to it very much!

Cooking Corner

'Space biscuits' — This will be a basic biscuit mixture—flour, butter, sugar and eggs

Maths

The children have made a good start with the concept of subtraction. We will be carrying on with this after half term.
