Group Room Year 3

No new spellings this week but there will be a little test of all sounds covered so far this year when we come back after half term.

This week we have looked at how to improve a sentence— adding adjectives, using exciting verbs and starting each sentence differently. The children then finished writing their chapter 1 for the Time Machine story using their plan.

Your children should know which colour reading book they are on and how to change them. Please read with them as much as possible.
