

## Curriculum News

**Literacy:** This week in literacy we have been developing and editing our time machine story. We have been learning about how to use speech marks within our work and to exchange words for more interesting adjectives.

**Maths:** We have been working on real life problems involving menu's in maths this week. Using different methods of addition to work out the total cost of a meal.

**R.E :** This week in RE we have reflected on our meeting with Rev. Cruddas and the symbols within the marriage ceremony. The classes were involved in a discussion about making promises and how sometimes they are challenging to keep.

## Reminders and Notices

Thursday 6th March is Greek Day. We would love it if the children came in dressed in Chitons (ancient Greek clothing). These can be made very simply from old white sheets.

March 4th is Pancake day and we will be taking the children down to the high street. Some children will have the chance to race in the high street pancake races.

3C will continue swimming until Easter  
Year 3 would love some magazines with animals in, old National Geographic magazines would be perfect.
