Tricky words

Was, said, they, there, should, once, two, four, people.

Challenge– suddenly.

Please practise these words for a test on 2nd March

This week the children chose a picture of a book character. They then described the appearance and the personality of the character. Next week they will choose a setting and describe this in preparation of their own story.

**children should know which colour reading book they are on and how to change them.
Please read with them as much as possible.**
