

## Curriculum News

What an exciting week! On Tuesday the churches came to us. We had three different representatives from churches across Guildford talking to the children about worship. Rev Katie Thomas came from St John's Stoke and showed the children the robes that are worn in different services. We all went outside and made the most of the snow by building holy place snow sculptures. Next Robert Cotton regaled the children with stories of St Mary's and its fascinating history. Finally Lisa and Ant spoke about worship at Millmead and the children celebrated by waving colourful flags.

## English

The children have been writing the instructions for their fabulous time machines this week. They have used their knowledge of imperative (bossy) verbs to produce clear and concise instructions that will enable any reader to transport themselves back in time to ancient Greece!

## Maths

In maths the children have been working hard on adding fractions and recognising equivalent fractions. A particularly fun activity required

## Reminders

Please could you ensure that all children come into school with coats, gloves and scarves as it is expected to be very cold next week.

Just to remind you that there is an INSET Day on Friday 13th February.
