

Just To Let You Know

Hazel & Willow

Next week we will be practising 'Zig Zag Monsters.'

These are x, w, v and z.

The children have been working really hard in our handwriting sessions—well done! We have stuck the 'Long Ladder' letters in the JTLYK books. Do practise these with your children at home. You could use chalk, paint, flour, sand, water as well as good ol' pen and pencil.

Tracing can also be helpful with practising pencil control.

We'd love to see any of your lovely curly school writing to show in class.

Body LEAP

As a lovely way to end Body LEAP we have booked a workshop with 'Active Kids' for Monday afternoon. There is no charge for this as we have paid for the workshop through our sports premium funding. We look forward to finding out the children's ideas for our next LEAP...!

The children have really enjoyed learning about money this week and comparing the different coins. We plan to carry on working with money next week too. We're also going to ask the children what they now know about the body after all their lovely learning.

We had a lovely time playing out in the snow on Tuesday!

Building snowmen and painting the snow with poster paint.
