

Just to let you know...

Dear Parents,

We had a lovely evening on Wednesday, sharing a bedtime story and a hot chocolate—thank you to everyone who came! The children practised their writing when they wrote invitations for parents to make hot chocolate. We have also been looking at the beginning, middle and end of stories—please encourage your child to have a go at finding each part of your own bedtime stories.

On Tuesday we looked at how to safe online, as part of Internet Safety Day. We are very excited to be receiving new interactive whiteboards, which will be ready after half term—we are looking forward to integrating more ICT into our learning as a result of these.

It Science Week straight after half term—it's an exciting week when children will be working in their houses alongside the Year 1 and 2s. They be learning about different topics and scientists each day and parents are invited to come in to school and see the work they've done, in the afternoon of Friday 23rd February. If you have any small boxes at home, please bring them in for Science Week.

Have a super half term - we look forward to seeing you in a week!

Reception Team x

Phonics

This week we have learnt more digraphs—ou, oi, and ue. Please see activities to do at home, in the back of the jtlyk books.

Maths

We have continued to learn the names and properties of 3D shapes. Keep on trying to spot 3D shapes around the house.
