

Just to let you know...  
Happy New Year and we hope  
you had a lovely break!

### Phonics

We are going to continue revising the sounds we covered last term by going on letter hunts and travelling across letter stepping stones. We are also going to start using handwriting patterns. By writing different lines and shapes will lead us towards learning school 'curly' writing.

ROLL UP!  
ROLL UP!

The children have been so excited about starting our new Circus LEAP this half term.

We have decorated the classrooms and the rainbow room and transformed them into big tops! A ticket booth has been set up in Hazel and all the children have been drawing and making tickets to sell.

Each week we are going to be learning a circus skill. Sian's friend Lois is going to visit us on Wednesday and teach us how to juggle.

CAN YOU HELP?

If there is anyone who knows a few magic tricks or can do balloon modelling and would be happy to pop in between now and half term to show us, we would LOVE to hear from you.

Reception

Hazel & Willow

### Maths

This week we are going to be focusing on numbers 10-20. We will be counting objects, recognising and ordering numerals and spotting missing numbers in a sequence. We will also be revising how to form the number 1-10 in writing.

### Cooking Corner

This week we are going to be making lions using pineapple rings, shredded carrot, raisins and cherries.
