 innocence, decent, decency,  
 frequent, frequency,  
 confident, confidence,  
 assistant, assistance,  
 obedient, obedience,  
 independent, independence

# Just to let you know

Dear Parents,

We were really proud of our Year 6s who performed at the Music Medley this week and did a wonderful job of showcasing their talent. The Baffling Bodies projects should be well underway now. Please encourage your child to keep working on these, so they are ready to hand in on Monday 9th February.

Best wishes

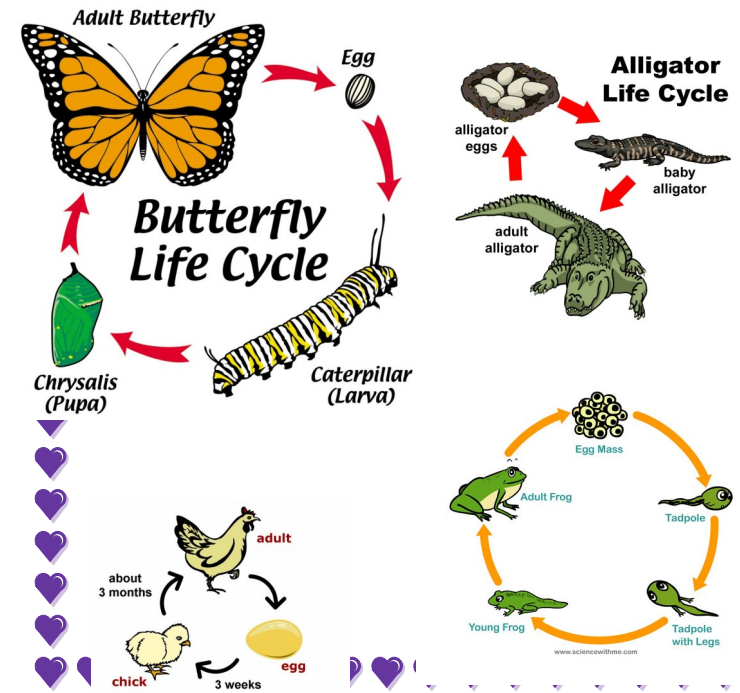

Alison, Sarah, Bec and Mary

The children wrote with empathy this week in English when they used our class reader, 'Wonder', to base a piece of writing on. They planned and redrafted a piece which detailed thoughts and feelings about moving to a new location and starting a new school.

In maths, we have continued to look at transformations including reflection and rotation. There is some great work to have a go at, as well as explanations, if anything hasn't been clear at: [www.mymaths.co.uk](http://www.mymaths.co.uk) (username: pewley, password: squared) Go to 'shape' (on the left hand side), then 'transformations' and choose an activity from the menu.

There is also a maths homework sheet which is to be completed and handed in on Monday .

In topic this week, the children have been learning about life cycles. They worked in home group/specialist groups to go and study about either birds, insects, amphibians or reptiles. They rejoined their home groups to teach them what they had learnt. The children produced lovely display posters about the life cycles of these animals

Please could you continue to sign in your children's diary when they've read three times in the week.
