

# Year One Beech and Oak 8th January 2016

Thanks so much from all the Year One team for the lovely cards and gifts you gave us for Christmas. You are very kind. :)

Do you have any traditional tales in your home language (or know of any in a different language to English)?

If so we would love to see them, or have you read them to our children! Do let us know.

## Maths Focus

This week we have been writing numbers the correct way and completing number sequences. We are trying really hard to master the correct formation of numbers 0-9 and the correct position of 2 digit numbers. **Why not write some number cards of your own at home and play snap.**

## Dear Parents

A very happy new year! What a brilliant start to the term we have had this week. The children came in very excited to be dressed in their Fairytale costumes on Wednesday - thank you very much for your support with this! The children have really enjoyed writing about their day. Their enthusiasm and hard work have been impressive. We enjoyed drama games and sharing traditional tales with each other. We are looking forward to writing our own stories next week!

Wild Place - there is a sign up sheet in the corridor for this term!

Sound of the Week - this will come home again next week. Well done for practising phonics during the Christmas holidays!

Best wishes Sarah and Sheena :))
