

Just to let you know...

We've had a great start to the Spring term and are delighted at how enthusiastic the children are about the new topic: Space, The Final Frontier. An exciting topic launch kicked off the week and children were treated to a great narrative set to music and images. During the presentation, we were given a quote which we love: "Logic will take you from A to B, imagination will take you anywhere," by Albert Einstein.

Winchester Science Museum Visit

This term we are visiting Winchester Science Museum and Planetarium. The trip will take place on Thursday, 4th February; if you would like to come and help, please email your child's class teacher.

Please continue to listen to your child read every night and ensure they are filling in their reading records. If you would like to help with the reading carousel please email or speak to your class teacher. The carousel will take place on Thursdays at 9.30-10.15; we would love for you to get involved!

Other dates for the diary this term include:

- **Fluffy Friday** 12th February

Reminder

The children will be visiting Neasden Temple on Tuesday 19th January. They will have the opportunity to learn more about the Hindu faith. The cost of this trip is £10.00 payable on ParentPay.

Spellings

Mercury
Venus
Earth
Mars
Jupiter
Saturn
Uranus
Neptune
Pluto
Solar System

A reminder for Mandela and Nightingale to bring in materials to make percussion instruments from e.g. pots and bottles.

Maths

The children have looked at a range of different scales, learning to read and work out the measurements shown. This has included a range of different units and decimal places.
