

JTLYK RECEPTION

Friday 13th January 2017

Phonics and Key Word Books

We have been learning the sounds
'th, w, y, x'

You can find these sounds stuck into the back of your child's JTLYK book. Please take a little time over the weekend to let your child sing you the songs!

The **Key Word books** are also stuck into your child's book and contain essential words that they need to learn in order to move forward with their reading. We will screen the children regularly to see if they recognise the words in each book so we can move them on to the next one!

Dear Parents

This week have enjoyed making The Stickman out of sticks and writing speech bubbles for him on our Winter displays. However, the highlight of our week has been our new LEAP topic - food! The children have helped to set up their very own café in the Rainbow Room and have loved ordering food, working the tables as waiters and waitresses, washer uppers and chefs. The menus and manners have been impeccable! In maths this week we have enjoyed learning to recognise money in the form of 1p, 2p, 5p and 10p coins. We made pencil rubbings of each coin and then tried to name them. The children have used their new skills in the class supermarkets, supervising the tills and buying groceries with their shopping lists.

Have a great weekend!

Reception Team :))

HELP!

Reading Carousel

We are still carrying on with our Friday reading carousel but could really do with more lovely parents to help (especially in Hazel Class). If you can stay after drop off for just 30-40 minutes do let us know!

Wild Place

We are continuing our Wild Place sessions every Tuesday so please sign up in the corridor if you can help.

Trip to the Market

We are hoping to take the children to visit Guildford Market on Friday 20th. We will walk down to North Street just after 9 am and be back by 11 am.

Please sign up if you can come—thank you!
