

# Just to let you know

## Maths

In maths, we have been looking at area and perimeter. Ask your children to do some practical maths at home eg; area of the kitchen with and without the kitchen appliances or area and perimeter of the garden.

Please make sure that your child is wearing suitable clothing for the cold weather; coats and jumpers are essential!

Also, please ensure that all your child's clothes are labelled with their name. There are lots of clothes in lost property unnamed!

Dear Parents,  
Thank you for your support with the 'Baffling Bodies' projects; they seem to be coming on well. They are due in by February 8th.

Thanks to all those who contacted us regarding the 'deliberate' fractions error in last weeks JTLYK! Of course, the equivalents below are correct:

0.1, 10%, 1/10

0.5, 50%, 1/2

0.25, 25%, 1/4

0.2, 20%, 1/5

Best wishes,  
JJ, Helen, Tom and Mary

## Spellings (ei words)

deceive, conceive, receive, perceive, ceiling  
neither, protein, caffeine, seize, weird, their,  
height, vein, weigh, eight, neighbour, foreign

## Topic

This week, as you know, we have spent our time learning about human reproduction, puberty, relationships, marriage and growing up!

The children have impressed us with their thoughtful questions, respectful listening and mature attitude. We hope that you have also enjoyed chatting with your child as the week has gone by.

Below are some useful websites which provide advice on talking to your child about sex and relationships:
