

Just to let you know...

Dear Parents,

We have had lots of fun this week, continuing to look at homes, in particular homes in different parts of the world, which are very different to our own. The children talked about which type of home they'd most like to live in—the tree-houses we saw in the Philippines were popular! Some of the children had a go at modelling igloos from marshmallows, sugar cubes and foam. They also enjoyed role play in our icy igloo and tent areas! The children thought about the route they take from home to school and had a go at drawing maps.

We are really excited about our hatching eggs, which will arrive w/b 26th February—thank you to everyone who has bought in a £5 contribution, please bring it in if you are able to and haven't done so yet.

Please also bring in kitchen roll inners, boxes and wallpaper offcuts for our craft activities (making and decorating houses) next week—thank you!

Have a lovely weekend,

The Reception Team :)

Phonics

This week we have learned more digraphs - ee, or, oa and the trigraph igh. See activities to do in the back of the jtlyk books.

Maths

Try to find activities to practise counting or counting games...how many red cars, houses with blue front doors, windows in houses, how many steps in the house etc...
