

English

We have been working on our research skills in our English lessons this week. We have focussed on finding information from books to get an idea about what life in ancient Greece was like.

We also wrote about our own mythical creature, describing its movements, feelings and physical appearance. We used these descriptions to help us write a descriptive paragraph about our mythical creature. Please pop in to school to see our amazing mythical creature display outside 3C.

Maths

In maths we have further developed our understanding of fractions, using the Bar Model to find fractions of shape before using what we had learned to find fractions of an amount. During Maths Carousel we applied our understanding of fractions to multiplication and division statements and made a fraction loop.

Topic

The human skeleton was our focus this week in science. The children learnt the different bones of the human skeleton and loved labelling their own moving parts skeleton! Ask your child if they can sing the 'bones song'?

RE

This week we have discussed the differences between Christianity and Judaism finding out about the Jewish holy book, the Torah and special items of clothing worn for prayer. If you have any items that we could share with the children we promise to take good care of them!

Spellings

silliest

luckiest

tidiest

chattiest

greediest

happiest

funniest

laziest

slowest

Reading Carousel

A big thank you to those parents who have offered to help with Reading Carousel this term. The children are really enjoying learning about Ancient Greek culture and society in different ways.

Reminders

Greek Day

Y3 Greek Day will be on Friday 15th March. Your child will need to wear to school a simple Greek costume (chiton) that is suitable for an active day.

PE Kits

Thank you for making sure children came with their correct kit this week. There were no missing swimming kits and a very few missing PE kits! Apologies for the confusion over PE days:

Tuesday—Games—outdoor kit

Wednesday –PE—gym kit

Time machines

Please continue to collect recycling for the children's time machines, and a shoe box if you have one.

Fluffy Friday

Please remind your child to bring in £1 towards the cost of their Fluffy activity.
