

Thank you!

To all of you that came to see your children's wonderful dinosaur Museum. The children have worked very hard and we are really proud of them. Thank you for all your support, especially to Viv Edwards for all her help with the cooking for the café.

# Dinosaurs

Friday 5th July 2013

Thank you for all your support at home with the children's learning.

We have a couple of really exciting weeks coming up and the children have been working really hard to get their museum up and running! Some chill out time this weekend would set us up beautifully so we can all enjoy the last couple of weeks of year 2!

Enjoy the sunshine!

## Finally some sunshine! Make the most of the beautiful weather and get out doors this weekend.....

You could.....

- Get out the paddling pool,
- Go to the park,
- Make a den in the garden,
- Make a tent for your toys and take them on a garden camping adventure
- Take your paints outside and paint a garden scene—(see Monet's water lilies for inspiration)
- Find a shady spot and read a whole book from start to finish
- Learn to play cricket
- Go on a bike ride
- Eat strawberries somewhere unusual...
- Find somewhere to go outdoor swimming.....
