

# Just to let you know...

Year 1 4.7.14

Dear parents,

This week was very exciting as we got to see our new classroom and meet our teachers for Year 2! We found out about all the exciting things we will be doing next year, and the topics we will be learning about. We can't wait to see them again next week!

Don't forget that we are visiting Painshill Park next Wednesday. The children will need appropriate clothes for the weather, a water bottle (as well as a drink in their lunchbox) and sun cream on. We are really looking forward to our piratey day out!

Love Hannah, Emily and Jacob xx

## Maths

This week we have been revisiting money. We have been buying piratey things in our pirate shop, making totals to 10p, 20p, 50p and £1! See if you can make a shop in your home or garden, selling leaves, sticks and mudballs! If you can make a total to £1 in lots of different ways easily, have a go at giving change to 10p!

We had a very exciting pirate activity afternoon yesterday! We chose from pirate obstacle course, junk modelling, painting, ipads and using big Lego outside!
