

Just to let you know...

We were so lucky with the weather on Tuesday for our Sports Day. The house competition was very close with only two points separating the winners and the runners-up. Final winners were Shackleton.

All houses showed great sportsmanship and everyone put in the effort to be the best that they could be.

On Monday Year 4 will be having a Spelling Bee. For this weekend's homework, the children have brought home spellings to practise for the competition. Please take the opportunity to look at these with them over the weekend.

Dear Parents,

Can you believe it's almost the end of the year?! Year 4 spent Friday morning learning a little of life in Year 5 and getting to know 2 of their new class teachers for next year. An exciting leap into the Senior part of HT.

It has been fantastic year for us all in Year 4, and we are so grateful for all the help and support we have received from you, the parents, so an enormous THANK YOU ! It is a time of transition and anticipation for the year ahead, and we probably all need a jolly good rest, so we wish you a happy, healthy and relaxing summer break!

Kind regards from

The Year 4 team

Julia, Seonaid, Jess and Sheila

LEAPS

We were delighted to see so many of you at the Natural History Exhibition on Monday. The children worked really hard on their LEAPs. They embraced the opportunity to explore their own woodland creature and to make their own decisions about how to present their findings. All of the LEAPs have now gone home, so if you could not come to the exhibition you can celebrate their success with them.

End of year service

The end of year service is being held this Monday at Holy Trinity Church. If you are able to help by walking to the church with your child's class, please let the class teacher know (we need 2 helpers per class).

We anticipate leaving the school at 1pm.

School finishes on Tuesday at 1.45pm.
