

JTLYK YEAR ONE
FRIDAY 17th JULY 2015

JTLYK Books

We are sending these books up to Year 2 so that the children can continue to use them next year. The children do have reading books in their book bags today but not their JTLYK books.

Dear Parents

Thank you all for being so helpful, supportive, flexible and enthusiastic this year. We have had a super year with your lovely children and we are very proud of all they have achieved. Have a wonderful summer.

Love Sheena, Emily, Misha, Sam, Liane and Nicola x

Library Reading Challenge

Why not head down to Guildford Library and take part in their **'Record Breakers Summer Reading Challenge'** this summer. Any children that take part are very welcome to bring their medals, prizes and certificates into school in September.

Sound of the Week Books

This is a great place to start if you would like to do any reading and writing over the summer. Just have a look at the challenges we have done this year and have another go at them or adapt them.

Spectrum Junior Summer Fitness Challenge

Think about signing up for this fitness challenge at the Spectrum. You don't have to do your fitness challenges at the Spectrum. Just complete as many physical activities as you can between 20 July and 5 September and for every 10 activities you do Spectrum will give you a reward voucher and a small prize to spur you on to the next 10 activities. It doesn't matter what you do - playing football in the garden, cycling, skate boarding even walking the dog - just stay active and let Spectrum know about it by bringing in your completed diaries.
