Understand ours and others feelings
Please keep listening**

Group Room Year 4

The children completed their longer spelling test on Tuesday. There will not be any more spellings this term.

They will revise all the spelling sounds they have learnt through out this term.

This week the children continued with their sequel of the Once-ler. Most of them read their stories to the group. They were very proud of their creative sequels.

Please read with your children as much as possible. They should all know which colour reading book they are on and how to change them.
