

JTLYK YEAR ONE
FRIDAY 3rd JULY 2015

Maths Corner

This week we have been working with coins. The children have practised counting and making amounts from 1p 2p 5p and 10p pieces.
At home try giving change from 10p or 20p.

Sound of the Week Books

This week the challenge is to look at the spellings of numbers up to 20 as words e.g. two, five, twelve.
Let us know how you get on.

Painshill Park Trip on Tuesday 7th

The children should wear school uniform with sensible shoes. Please apply sun cream before you leave home and provide a sun hat, water bottle and a packed lunch. We will be leaving at 9.15 and will return by 3 pm home time.

Dear Parents

The children were very excited this week to visit their new year two classes and find out who their new teachers will be. We will have another 'move up day' in 2 weeks time.

Back in Year One we continued our topic by composing acrostic 'Pirate' poems. The children are very good indeed at coming up with great sentences!

We have had a **Sports Day** rehearsal this week and the children are, not surprisingly, very excited about competing in their houses on Wednesday! See you at 9.15 on the field.

Sun Hats, Sun Cream and Water Bottles!

Children should have a named water bottle and sun hat every day from now on. Please apply sun cream before you leave home.

Have a lovely weekend

Emily and Sheena :))
