Reading records

Thank you for all your support and efforts with the children's reading journals this year. We have really enjoyed seeing the children develop a love of reading. They have also enjoyed using our fabulous library this year. Please can we ask you to return all school reading scheme books to us by next Wednesday. Many thanks!

Friday 21st July—Early finish

We will be finishing at 1.45pm on Friday 21st July. There will be no Clubs + on this last day. Please ensure your child has all their personal belongings when you collect them. Have a check in lost property if you are missing anything!
Have a lovely summer and thank you again for your help and support throughout the year.

Maths

In maths this week we have been converting between millimetre and centimetres, grams and kilograms and millilitres and litres. We have been impressed with their skills when using a ruler and they have persevered through some tricky word problems.

Important dates for September

September 4th - INSET Day
September 5th - First day back

Cereal boxes

Please could you send in any cereal boxes with your child on Monday as we would like to use these for our international days!

English

The children have continued to enjoy the book There's a Boy in the Girls' Bathroom. We began the week looking at a list of Bradleys topics which he wished to chat to Carla the counsellor about. They were very good at putting this list into categories for example food, dreams, emotions, people and places. They then started to write a letter to Jeff persuading him to either be friends with Bradley or to not be.

International Days

Next week we have two International days. Year 4 will be focusing on Sweden. They will be learning about the country and taking part in activities such as art, cooking and music and learning about the history and geography of the country.
