

# **Just to let you go.....**

**Dear Parents,**

**Our last week of the term has been great fun and the children enjoyed learning about Freiburg, Germany, during our international days. It was lovely to see so many of you during our Open Afternoon; thank you for your continued support throughout the year.**

**We've had a super year with this wonderful year group and can't believe how quickly the year has past. Thank you very much for your lovely cards, kind wishes and generous gifts.**

**Have a restful summer**

**Year Three Team**
