

Just to let you know...

Reception

Hazel & Willow

Phonics & Maths

In Phonics this week we are going to be revising our digraphs again. These are sounds made of 2 letters. Can you spot any digraphs in your reading books or key words? In maths we are going to be remembering how to tell the time as this featured in the play at the theatre.

Thank you so much to those who helped on Tuesday morning for our trip to the theatre. We loved the play so much it has inspired our new LEAP this half term!

Cooking Corner

Chocolate crispy cakes using Frosties-'They're gggggrrreat!'

Tiger LEAP

On Monday we had a 'Tiger Workshop Day' to lead up to the theatre trip. The children went round doing various tiger related activities in their houses. They painted tigers, made stripy weaving, learnt some tiger facts and did some tiger maths. We then went to see 'The Tiger Who Came to Tea' at GLive which was brilliant!

The children enjoyed Monday and Tuesday so much they wanted to learn more and have a tiger LEAP this half term!

Both classes worked together to make a huge collage of Henri Rousseau's 'Tiger is a Thunderstorm' for the computer room. We've made tiger ears, learnt how to make a cup of tea and danced to 'tigerobics' in PE!

The Golden Boot Challenge!

Over the next few Fridays, all the classes at Pewley are competing for the Golden Boot.

The challenge is to travel to school in an eco-friendly way. It could be walking, cycling, coming by mini-scooter, taking the bus, doing a car share, or even just parking the car a couple of roads away and then walking.

The children are asked how they have travelled to school every Friday morning and the results are put into a data base. The class that does the best-wins the Golden Boot!

(NOTE: It's just a fun competition we run each year so please don't worry if this is too difficult for you to arrange on a Friday morning!)
