

## Topic fun

Our biggest focus this week has been getting ready for our dinosaur museum and to do that we have done lots of works in our LEAP s. In case you're not sure, a LEAP is a group of children who all have similar interests or learning styles and who have been put in charge of preparing one certain aspect of our museum. In these groups, the children have had control over what their group has produced and how it is to be presented at the museum. They have really enjoyed this responsibility and it has been great fun for the adults working with them as well.

## I'm bored box

We know that for the last couple of days the children have found it hard to change their books—our book corner has been blocked with preparations for the museum. If you have a chance this weekend why don't you do a bit of reading together. Find a favourite story and read it, try a new book or ask a friend for a recommendation. We'd love to hear about it.

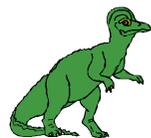

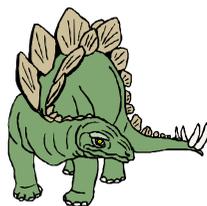

# Dinosaurs

We've done some practice of adding up and taking away this week to try to refresh it in our minds. Have a go at these if you get a chance.

$$\begin{aligned} 12 + 7 &= \\ 15 + 8 &= \\ 23 + 14 &= \\ 35 + 23 &= \\ 48 + 35 &= \end{aligned}$$

$$\begin{aligned} 25 + \underline{\quad} &= 33 \\ 32 + \underline{\quad} &= 50 \\ 21 + \underline{\quad} &= 40 \end{aligned}$$

$$\begin{aligned} 15 - 3 &= \\ 21 - 9 &= \\ 36 - 14 &= \\ 31 - 17 &= \\ 57 - 31 &= \\ 76 - 49 &= \end{aligned}$$

## Things to remember...

We are planning to take Year 2 to the beach on the 17th July as part of their End of Year celebrations and we would love as many parents as would like to come with us! Letter to follow, but keep the date free!

***Our Dinosaur Museum will be on Tuesday 26th June. This is what we've been working towards all term so we'd love to see as many of you as possible. It will open at 9:15.***

On 27th-28th June the children who are moving on to Holy Trinity will be spending a couple of days at their new school. Any queries, just ask!

## This week

These are the questions we have been thinking about this week. How many of them can you answer? Some of them are about what you think, and some have more specific answers.

Is there anything that makes working in a group difficult?

How have you worked together with your LEAP this week?

Great minds think alike. What does this mean?

## Nuts and bolts.

We have been practising our 'ed' endings this week. Try adding ed to these verbs  
walk   scoot   shout   play  
talk   bake

## Writing Corner

We are all looking forward to our Dinosaur Museum next week. Why don't you write a letter or card to someone in your family inviting them to come along. Tell them when it is, what will be there, when it starts and why they should come.
