

This week the children have enjoyed reading the Jabberwocky by Lewis Carroll. Then they all had a go at writing their own cautionary verse about an imaginary creature using nonsense words.

The finished poems have been illustrated in the same style as the original.

Remember COSTUMES!
At the exhibition on July 17th, we would like all the children to be wearing a Victorian Costume—please start making plans now!

We will NOT be having group reading next week or for the rest of the term. We would like to take this opportunity to thank you for your continued support throughout the year!

Just to let you know...

For the amazing creations that the children are designing for the Great Expedition Exhibition we would like to ask you to clear out your craft cupboard and garden shed!

Please send in:

- Wood (small offcuts)
- Nuts and bolts
- Screws
- Beads
- Buttons
- Fabric
- Wool

Dear Parents,

Remember it's a long weekend so we will look forward to seeing your children on Tuesday morning.

Don't forget to return your child's slip for the Yvonne Arnaud trip to see Charlotte's Web on Friday 6th July.

Best wishes,
Clare, Julia, Sarah, Mel and Helen

In maths this week the whole year group were greeted by members of the RGS and presented with the challenge of interpreting data, collected from a number of expeditions. Pupils had to use their analytical skills to question the findings. For example, what was the most common illness contracted whilst on expedition? How many more species of butterflies were found in the rainforest than in the desert?
