

Topic fun

This week we had our dinosaur museum which was FABULOUS! All of the children worked incredibly hard in their groups to produce amazing work and really loved having the chance to show it off! Thank you to all of you who came and visited it, we hope you had as much fun seeing it as we had in making it! Also, we'd like to say an especially big thank you to those mums and dads who helped to set the museum up, we couldn't have done it without you!

The children also visited Holy Trinity for the last two days of the week and from everything we've heard had an amazing time.

Maths Corner

We have been thinking about big numbers this week and learning how to tell them apart.

Put these numbers in order ...

237 345 124 78 96 156

1520 4321 1250 1976 2076

Write a number with 2 thousands...

Write a number with 5 hundreds...

Write a number with 1 thousand and 7 hundreds...

This week

These are the questions we have been thinking about this week. How many of them can you answer? Some of them are about what you think, and some have more specific answers.

What are you proud of having made? Why?

What is your best memory of the dinosaur museum?

Was there anything difficult about working as a group? How did you solve the problem?

Nuts and bolts.

What spelling rules have we been learning to help you with these?

made time here called asked wanted running talking

Things to remember...

We are planning to take Year 2 to the beach on the 17th July as part of their End of Year celebrations and we would love as many parents as would like to come with us! Thank you to all the people who have already returned the form, if you haven't done it yet please can you get it back to Ruth as soon as possible.

Our Year 2 leavers assembly will be on Thursday 19th July and will start at 9:15. We'd love to see lots of you there!

I'm bored box

Make an exhibit in your bedroom. Use your lego, your toys and your teddies and make sure you include a label to tell us what it is. Ask mum or dad to come for a tour and take a photo to show

Writing Corner

Memories of the museum! What were the best bits, what were you interested by, what surprised you, what did you find out?

Draw a picture, set up a show with your toys or even build a model of the museum in a shoebox! You could even write a newspaper article about it if you want to...
