

Just to let you know...

In English this week we been writing instructional leaflets for the new Year 3s who have been visiting this week. They had to cast their minds back to what it was like when they first started at HT and compiled lots of top tips!

We have been so impressed by how hard the children have been working on their Guildford LEAPs—they have been so motivated and brimming with enthusiasm.

Many of the groups have organised trips and have enjoyed learning more about their chosen area. The trips they have been on this week have included: Guildford Castle, Dapdune Wharf, Guildford history trail, Abbot's Hospital, Alice in Wonderland statues, Guildford Lido, The Spike and the gunpowder mills in Chilworth. On each of these trips the children have been wonderful ambassadors for the school; asking thoughtful questions and really learning loads!

Dear Parents,
We have had a busy week this week: lots of Guildford LEAPs trips; fencing and shooting taster sessions and meeting the new year 3s, who will be our buddies next year.

Please remember to return Theatre forms and money for the trip next Friday (6th July) and also please note that all children are being walked back to school—with no one being collected or walking home from the theatre.

Don't forget that Monday (2nd July) is our Midsummer holiday; we hope you have a lovely long weekend!

Love from
Bec, Henry and Mary

Next Thursday (5th July) at 9.00am will be our last group reading session.

Thank you so much to all the parents who have helped us; your continued support is hugely

In maths this week, we have had a look at tessellation, learnt the rules and had a go at tessellating their own shapes

In group maths we have been looking at word problems—with a sporty twist!
Have a look at the mymaths website:
