

## Just to let you know...

Dear parents,  
We have had a busy week learning about Captain Connective and his favourite words which are 'and, so, but and because'. We have learned to turn short, easy sentences into 'powered up' sentences with these connectives. Gymnastics has been great fun with lots of children learning to do backwards rolls as well as climbing the rigging and walking the plank! We have also been busy looking at maps in atlases and online. We have found places we would like to travel to on our pirate ships and we have thought about how we would travel there.  
Have a lovely weekend.  
Love Hannah, Emily, Misha and Sam x

### Maths

This week we have been solving pirate word problems. For example, 20 pirates sail off on a journey but 8 jump off and swim away. How many pirates are left? To find the answer we have counted on our fingers, counted on number lines, we have used 100 squares and we have used counters. You can even draw the things you are counting to help you to find the answer. Have a go at some pirate word problems at home or write your own questions and email them to us at school so that can you work out the answer?

**Trip to Painshill Park**  
**19th June**  
**Don't forget your packed lunch and your coat for our Year One visit on Wednesday.**

The Golden Boot Challenge is underway again. Don't forget to try and walk, scoot, cycle or even run to school on Fridays!
